CNYLEADS Narrative Supplement 1

AGENCY Solvay Police Department				DR # 21-349466	
Person Type VI	Last Name	First	Middle	Suffix	Business Name NY State

On June 19, 2021 at about 0215hrs. while working unit 4301A, I was parked in the 2200 block of W. Genesee St. conducting vehicle and traffic enforcement when I observed a maroon Honda Accord traveling west bound on W. Genesee St. and stop at the red light at the intersection of Fay Rd. My attention was drawn to the vehicle because I noticed that it did not have it's lights on. When the light turned green, the vehicle accelerated quickly and was traveling in excess of 40mph, confirmed by the HR Falcon RADAR unit assigned to Solvay PD vehicle 302, in a clearly posted 30mph zone.

I pulled behind the vehicle as it approached N. Orchard Rd., in which it made an abrupt right turn onto N. Orchard Rd. without signaling the turn. I then activated my emergency lights to conduct a vehicle and traffic stop of the vehicle, however the vehicle continued traveling north while maintaining its speed. As I followed the vehicle with my emergency lights and siren activated, the vehicle was traveling down the center of the roadway and still failed to yield. The vehicle then made an abrupt left turn into the driveway of 510 N. Orchard Rd. advised dispatch of my stop location and requested another unit to start.

The operator of the vehicle quickly exited the driver side door and ran into the side door of the garage. I recognized this male as Richard Sposato DOB [REDACTED]/61. I chased him into the garage while giving him commands to stop and to show me his hands, I then deployed my department issued Taser X26 while he was fleeing, however Mr. Sposato was able to shut the interior door, causing at least one of the Taser probes to miss. I advised dispatch of the missed Taser deployment as multiple units arrived from OCSO, Canillus PD, and Geddes PD.

Efforts to make contact with Mr. Sposato through the doors and windows were negative as he refused to come outside. I made contact with Mr. Sposato via cell phone and requested that he come outside to resolve the issue and allow me to conduct my investigation however he refused. Mr. Sposato claimed that he was a sovereign citizen and that he does not have to obey by the laws of the state. I asked Mr. Sposato if he needed medical attention for any reason and confirmed with him that he was not struck by the Taser deployment. Mr. Sposato was advised that his vehicle would be towed due to being involved in a vehicle refusal if he did not cooperate with the investigation, he continued to refuse to cooperate. Throughout my interaction with Mr. Sposato over the phone, he was very belligerent and verbally abusive towards myself and law enforcement in general.

Garcia's Auto arrived on scene and towed the vehicle, which was a maroon 2008 Honda Accord bearing VIN: 1HGCP36808A012521, that was unregistered, uninsured, and uninspected. The vehicle had a white novelty license plate with black writing "PRIV4T3", which was secured by patrol and entered into BEAST. Upon conducting a DMV check of Mr. Sposato's license, it showed to be revoked due to DWI and also showed to have an Interlock restriction, which the vehicle he was operating did not have.

Mr. Sposato was aware of the vehicle being towed and was advised that patrol would follow up with him to issue related UTT's and appearance tickets. It was later learned via a Facebook post made by Mr. Sposato, that he was in fact struck by one of the Taser probes in his lower back which he removed himself. The deployed Taser cartridge and novelty license plate secured into BEAST. Subject Management Report was completed and Lt. Osbeck was notified of the incident and use of force.

On 6/20/21 at about 2100hrs. Mr. Sposato met with me at the Solvay PD to be processed and issued related tickets returnable to Solvay Court on 7/8/21 at 1600hrs.

Case closed by arrest.
